DISTRICT OFFICE

NOTICE OF PUBLIC HEARING

NOTICE IS HEREBY GIVEN, that the Board of Directors of the Midway City Sanitary District (“District”) will hold a public hearing to consider the adoption of wastewater capacity fees to be levied against new connections to the District’s sanitary sewer system to recover the cost of infrastructure required to serve new development or the change or expansion of existing development that increases system demand. The capacity fees are necessary to ensure that growth pays its fair share of costs and existing customers do not subsidize the cost to accommodate new connections. The proposed capacity fees will be adopted in accordance with Government Code sections 66013 and 66016. The hearing will be held on **April 7, 2026**, at **5:30 p.m.**, or as soon thereafter as the matter may be heard, at the District’s regular meeting of the Board of Directors, in the Board’s Meeting Room located at **14451 Cedarwood Street, Westminster, California 92683**. The capacity fee report and all supporting data for the proposed capacity fees will be made available to the public for review at least fourteen (14) days prior to the Public Hearing during normal business hours at the District’s offices, 14451 Cedarwood Street, Westminster, California, and on the District’s website at <https://www.midwaycitysanitaryca.gov/>.
